Autumn Dress Goods.

For variety of weaves, and for the numbers and richness of coloring shown, the fabrics we are now displaying surpass those of all previous seasons. While smooth fabrics, such as Broadcloth, Venetians, Foules, Prunellas, Coverts, Armures, Poplins, Granites, Henriettas, etc., will be very popular for Dress Costumes, the heavier and rougher cloths, such as Cheviots, Camel's Hair, Zebelines, Vicunas, Pebble Cheviots and Piaidback Heavy Cloths are shown for Separate Skirts, Street Wear and Traveling Costumes. Among the most popular shades shown you will find-Grays in Gunand Reseda, Browns in Mufflon, Castor and Havanna, Golf Red, Heho and Tans; special attention
